

You are the poet!

You can't say it wrong,
What way would be right?
Poetry is an art,
There is no maximum height!

Man or child,
Rich or Poor.
Express yourself,
With words that are raw.

Anyone can do it,
Try and you will see.
Write about monsters,
Hate, love or family.

If you are sad,
Let your pen cry.
If you are happy,
Tell the paper why.

Spelling doesn't matter,
It will improve with time.
You don't have to be neat,
Have punctuation or rhyme.

Open up your mind,
Feel it in your heart.
When you are ready,
You can begin to start!

One more thing,
Be brave and true.
The words you write,
Should mean something to you.
